

Virtual Assistant vs. Operations Manager

Same title on the internet. Very different help in your business.

	Virtual Assistant	Operations Manager
WORKS FROM	A task list	Your whole business
WHO MANAGES	You direct every step	I carry the picture for you
YOUR CUSTOMERS	Stay behind the scenes	I talk to them directly
TICKETING	Not usually included	Zendesk, Teamwork, and more
WHEN THINGS SLIP	Waits to be told	Spots it and fixes it
YOUR TIME	Still spent managing	Handed back to you
